"I take it, Mrs. Jiggers, that the landladies of moral family boarding houses Beltran was ordered to report to Mexico are largely responsible for this distress-

of thousands of such landladies and each one caters to perhaps a dozen boarders, so it requires no statistician to figure far reaching. Boarders usually look upon their landladies as superior beings and are governed by the precepts and | examples of those charming women. Thus | rebellious general. we see that the influence of a boarding house landlady makes its impress upon the characters and lives of scores of boarders in the course of a few years. "Now, what does the average American landlady do to restore that trust and confidence whose absence we deplore? I remember when I first came to this hash palace, Mrs. Jiggers. I was still a young should have been an index to my charsome bitterness that you refused to aling board until I had paid in advance. It was the rule of the house, you said. "Of what consequence are rules of the house, Mrs. Jiggers, when weighed in Loans \$5 to \$100 on your furni- the balance against the brotherhood of man? I remember how shocked I was ception of the means used to accomplish when you demanded pay in advance. that end. Never until then did I fully realize how

sordid a place the world is and how little use it has for iridescent theories such those theories, but if a stranger came to the door at this moment looking for a haven of rest, you would insist upon pitiful things. They are dreams, Mrs. Jiggers, nothing more.

"As I was coming home this evening I supper, and who should I meet but this same Prof. Swangle. He was buying a large plug of black chewing tobacco, a variety that no theorist should consume, and the cigar dealer introduced me to him. He seemed a fine, intelligent man and we had some instructive conversation touching the decadence of literature.

I happened to have with me an excellent gold watch which I offered to him for ! \$12. Had he been a sincere, honest man, anxious to live up to the theories he advances on the lecture platform, he'd have accepted my assurance that the watch case was solid gold and that the timepiece was a family heirloom, which I was offering merely to relieve financial dis-

They are resulted in a series of charges and counter charges in which the members not infrequently called each other llars dropped into my favorite cigar store to and on numerous occasions the executive buy a mesh of greens to smoke after has been sharply criticised for his administration of affairs.

One incident that promised serious consequences was the unfolding of the records that tell how the army list has been maintained. Incidental to the discussion of some bill a deputy charged that the army, during the campaign against Orozco, had been augmented by 2,030 prisoners taken from Belem, the big city prison, before the charges against them had been determined by the courts. The deputy, who was the attorney general of that time, was called upon to corroborate this statement and did so, explaining that the president, in a cabinet meeting, had determined to commute the sentences of these men. This course was regarded as necessary since, notwithstanding the becoming a gentleman. He insisted that high pay offered soldiers, no men could the watch was brass and said he had a be found to enlist.
